Ronnie--or as Mrs. Baumgartner insists on calling her, Veronica--has been babysitting for the Baumgartners since she was fifteen years old and has practically become another member of the family. Now a college freshman, Ronnie jumps at the chance to work on her tan in the Florida Keys with "Doc" and "Mrs. B" under the pretense of babysitting the kids. Ronnie isn't the only one with ulterior motives, though, and she discovers that the Baumgartners have wayward plans for their young babysitter. This wicked hot sun and sand coming of age story will seduce you as quickly as the Baumgartners seduce innocent Ronnie and leave everyone yearning for more!

Warnings: This title contains sand, sun, micro-bikinis, graphic language, seriously erotic erotica, lesbian sex, anal sex, sex toys, a MFF menage (threesome) between an older couple and their teen babysitter that may set your Kindle or paperback on fire and a coming-of-age fantasy that will rock your world.

EXCERPT:

"Now, I'm hungry." His voice was low as he kissed his way back down my neck, lifting my t-shirt, and I let him pull it off over my head.

"God you're something." He looked at me for a moment, shaking his head a little and smiling. The he grabbed my bottom and lifted me, squealing, to the opposite counter, setting me up on it.

"What are you doing?" I smiled, my eyes dipping down past the top elastic band of his boxer-briefs and seeing the bulge there. It made something in my belly tighten.

"I told you." He sank to his knees on the tile in front of me. "I'm hungry."
