Nowhere else can be found such a great number of exotic Holy Men with long beards and colourful clothes as in Kathmandu, the capital city of Nepal – especially during the time of the traditional Hindu Holi Feast, when hundreds of these peculiar persons meet. Peter Voss travelled several times to Nepal to take pictures of these people. The results are fantastic portraits of people and their daily life, that are for the first time compiled in a large format coffee table book. The publication is an important contemporary document, for some of its pictures were taken only a few weeks before the horrible earthquake on April 25th in 2015.
