Snow White: A Graphic Novel Matt Phelan

Award-winning graphic novelist Matt Phelan delivers a darkly stylized noir Snow White set against the backdrop of Depression-era Manhattan.

The scene: New York City. The dazzling lights cast shadows that grow ever darker as the glitzy prosperity of the Roaring Twenties screeches to a halt. Enter a cast of familiar characters: a young girl, Samantha White, returning after being sent away by her cruel stepmother, the Queen of the Follies, years earlier; her father, the King of Wall Street, who survives the stock market crash only to suffer a strange and sudden death; seven street urchins, brave protectors for a girl as pure as snow; and a mysterious stock ticker that holds the stepmother in its thrall, churning out ticker tape imprinted with the wicked words "*Another . . . More Beautiful . . . KILL.*" In a moody, cinematic new telling of a beloved fairy tale, extraordinary graphic novelist Matt Phelan captures the essence of classic film noir on the page—and draws a striking distinction between good and evil.
