“My heart was cracked wide open when I once again read about ‘The Mantra of Tantra’. Many of us live in fear and pain which keeps us in darkness or out of a state of pure being or pure love. By reading this awesomely inspirational book, you will learn over and over how to be the light that you truly are and how to open your heart and have the courage to be vulnerable to loving yourself and others in a way you never dreamed possible. When you allow this to happen, you will be capable of experiencing a Heart Orgasm. I know your heart and soul will be blessed by the divine love and energy that Stephen infuses into every word of this spiritual masterpiece.”

“Stephen manages to somehow combine easy reading with deep and complex spiritual ideas. The two seamlessly lead you through the story line whilst you absorb deep wisdom effortlessly. This book touched on everything that I have been interested in since childhood - Egypt, India, Ancient Gods, Aliens, Teachers and timeless wisdom. Star Child pulls together so many spiritual elements, so many resonances, that I was left feeling that the book had touched many levels within me - and to me this is the sign of a book that contains ultimate truth.”

“Wisdom, beauty, sensibility, depth, adventure, wit and the most delightful sense of humor, all rolled up in one book. This book contains enormous amounts of wisdom from different spiritual traditions, which is conveyed in a very easy and fluid yet deep way in the midst of a compelling and frequently ‘keep you on the edge of your seat’ kind of story.”

“Enlightening book that embraces and shares important and possibly unknown truths about other religions and cultures. With the awakening which is occurring across the planet, people are recognizing the need for and importance of acceptance, non-judgment, tolerance, compassion and love. These principles are

highlighted in this book. It is interesting, enlightening and entertaining. I enjoyed the dialogue, full of humor, and the unity and friendships uniting countries, religions and cultures.”
