## **Whening Tennis: In Tennis as in Life, Timing is Everything Larry Huebner**

WHENING TENNIS: IN TENNIS AS IN LIFE, TIMING IS EVERYTHING is an instructional book. It is unique in that it does not focus on the "how to" of playing the game as much as the "when to" for more tennis success. The author's primary focus on "when decisions" is an entirely new instructional approach for many aspects of the game. When a player learns to combine good "when" decisions with real effort to play the game to the best of their ability, regardless of the final score, winning has been achieved. Thus, WHENING TENNIS becomes winning tennis, the essence of the book. The subtitle, IN TENNIS AS IN LIFE, TIMING IS EVERYTHING, emphasises the importance of "when" decisions and their crossover from tennis into life's experiences.
