## Curious: The Unexpected Power of a Question-Led Life Tom Hughes

Did you know that of the 183 questions Jesus was asked, he answered only four of them directly? The other 179 he answered with questions (or sometimes a story). Questions are not the enemy of faith; they are the way Jesus most often helped people not just say the right things, but live the right ways. The joy, creativity, and the adventure we were created to live begin with asking the right questions and then living into the answers with God's help.

If you are wondering how to draw closer to Jesus and live your unique adventure with him, *Curious* will help you, question by question, step into the future God has for you. If you are a leader who wonders how to lead well without burning out, *Curious* will show you how, by asking the right questions, you can help empower those you influence to greater motivation and creativity as they live out their answers to these questions with God's help. As Jesus demonstrated, asking the right questions at the right time, and communicating them in the right spirit, can transform hearts and change the world.

Let Tom Hughes thread together stories that will lead you into a new sense of confidence, not in yourself but in the God who loves you and calls you according to his good purpose.
