Hiroshige Adele Schlombs

Master of Japanese ukiyo-e woodblock prints

Utagawa Hiroshige (1797-1858) was one of the last great artists in the ukiyo-e tradition. Literally meaning "pictures of the floating world", **ukiyo-e refers to the famous Japanese woodblock print genre** that originated in the 17th century and is practically synonymous with the Western world's visual characterization of Japan. Though Hiroshige captured a variety of subjects, his greatest talent was in creating landscapes of his native Edo (modern-day Tokyo) and his most famous work was a series known as "100 Famous Views of Edo" (1856-1858). This book provides an introduction to his work and an overview of his career.

About the Series:

Each book in TASCHEN's Basic Art series features:

- a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance
- a concise biography
- approximately 100 illustrations with explanatory captions

From reader reviews:

Lula Estes:

What do you think about book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Just you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great in addition to important the book Hiroshige. All type of book would you see on many options. You can look for the internet methods or other social media.

Helen Velez:

Here thing why this particular Hiroshige are different and trustworthy to be yours. First of all reading a book is good nevertheless it depends in the content of the usb ports which is the content is as tasty as food or not. Hiroshige giving you information deeper including different ways, you can find any publication out there but there is no reserve that similar with Hiroshige. It gives you thrill studying journey, its open up your eyes about the thing that happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in playground, café, or even in your method home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Hiroshige in e-book can be your choice.

Jose Coleman:

On this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple way to have that. What you must do is just spending your time very little but quite enough to get a look at some books. Among the books in the top list in your reading list will be Hiroshige. This book which is qualified as The Hungry Slopes can get you closer in turning out to be precious person. By looking upwards and review this book you can get many advantages.

Julio Canfield:

What is your hobby? Have you heard this question when you got pupils? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And also you know that little person like reading or as studying become their hobby. You must know that reading is very important in addition to book as to be the factor. Book is important thing to provide you knowledge, except your current teacher or lecturer. You discover good news or update in relation to something by book. Different categories of books that can you choose to use be your object. One of them are these claims Hiroshige.
