From the world's foremost authority on chart analysis-- a practical new treatise on mastering powerful trading tools and systems

In the sequel to his best-selling book, *The New Science of Technical Analysis*, Tom DeMark refines the most popular and precise of his indicators with exacting new attention to real-time trading applications. For the first time, DeMark shares his powerful new indicator, TD Combo, which when combined with the highly popular Sequential Combination is a powerful new tool for understanding market rhythm and calculating price points.

THOMAS DeMARK (Phoenix, Arizona) and his technical indicators have been a major force at some of the largest and most successful trading operations in the world, including his own firm, Devan Capital.
