#### **Michael Gage:**

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's internal or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Special education index to learner materials can make you feel more interested to read.
