## Sweet Competition Liz Reed, Jimmy Reed

Liz and Jimmy Reed, the creators of the “Cuddles and Rage” webcomic, have *whipped* up a truly delectable picture book debut featuring the antics of competitive twin cherries who will do anything to *outsweet...er, outsmart* one another!

For this pair of twin cherries, everything is a competition. If Girl Cherry can swing higher, Boy Cherry will boast that he can swing lower. If one is smarter, then the other is cooler. So when they enter a contest to build the best dessert ever, they immediately *pit* themselves against each other. But when you’re attached at the stem, there’s only so much you can do on your own. Things could be easy as pie—so to speak—if they put aside their differences and join forces. Will Boy Cherry and Girl Cherry cream the competition by working together...or will one try to be the cherry on top?

With loveable characters and laugh-out-loud situations, *Sweet Competition* is the perfect addition to any child’s bookshelf. After all, there’s *always* room for dessert!
