The Royal Family

William T. Vollmann

The Royal Family William T. Vollmann

A magnificent new novel from a writer whose books, "tower over the work of his contemporaries by virtue of their enormous range, huge ambition, stylistic daring, wide learning, audacious innovation, and sardonic wit." (*The Washington Post*)

In *The Royal Family*, William T. Vollmann uses the story of two brothers to construct a haunting series of parallels between the lives of the dispossessed and the anxious middle class. Henry Tyler is a failing private detective in San Francisco. When the love of his life, Irene--who happens to be married to his brother John, an ambitious contract lawyer--commits suicide, he clings despairingly to her ghost. Struggling to turn his grief into something precious, Henry enters into a new life of nightmare beauty and degradation as he attempts to track down the legendary Queen of the Prostitutes.

Crafted out of language by turns eloquent, humorous, sensual, and obscene, and full of vividly rendered depictions of low-life bars, office politics, and hobo camps, here are Vollmann's familiar but ever surprising characters--the seekers, the vigilantes, the hypocrites, the street prostitutes. He has woven their stories into a vivid and unforgettable novel about the eerie paradoxes of possession and loss.

From reader reviews:

Eileen Matherly:

Reading a guide can be one of a lot of action that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new info. When you read a guide you will get new information simply because book is one of several ways to share the information or perhaps their idea. Second, studying a book will make you more imaginative. When you studying a book especially hype book the author will bring you to imagine the story how the character types do it anything. Third, you can share your knowledge to other individuals. When you read this The Royal Family, you may tells your family, friends and soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a publication.

Lavonne Yates:

People live in this new day time of lifestyle always try to and must have the time or they will get lot of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely yes. People is human not really a robot. Then we consult again, what kind of activity do you have when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading guides. It can be your alternative inside spending your spare time, typically the book you have read will be The Royal Family.

Daniel Martin:

Reading a book for being new life style in this season; every people loves to go through a book. When you go through a book you can get a large amount of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your review, you can read education books, but if you want to entertain yourself look for a fiction books, this sort of us novel, comics, and also soon. The The Royal Family provide you with new experience in reading through a book.

Edward Grimes:

Many people spending their period by playing outside having friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book really can hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smart phone. Like The Royal Family which is keeping the e-book version. So , why not try out this book? Let's see.
