Many people feel that their life is challenging or a screw up in one way or another. The biggest challenge that they face is not understanding how THEY are contributing to these experiences. I firmly believe that it can be rather difficult to DO better when we don't KNOW better. Who In The Hell Do You Think You Are will show you how to create better in your life and equip you with the necessary tools to live a life of joy, peace and fulfillment. It will serve as the bridge between the question: "How do I fix my life" and the answer... this is HOW to fix it. When you understand that you are the powerful creator of your life experiences, whether good or bad, and HOW you are doing this, you will be better able to design your life intentionally. Who In The Hell Do You THINK You Are will show you how you are 100% participating in creating your reality but more importantly, it will show you how to shift your focus and your mindset in order to design your life by intention, rather than live your life by default.
