**Froelich's Ladder** Jamie Duclos-Yourdon

When Froelich disappears from the fourth-tallest ladder in the world, his nephew's quest to find him interlaces with the journeys of two spunky young women who outwit their guardians. In a Wild West populated with immigrants, skittish Civil War veterans, hungry clouds, a circus menagerie, and a few murderers, this fairy-tale twist on the American dream explores the conflict between loyalty and ambition, and the need for connection, even at the highest rungs.
