Grace Peace Balance: Surviving and Thriving Against All Odds Gaby Abdelgadir

Why is life so hard for me and so easy for everyone else? We all want to explore our dreams and live an abundant life but so many of us are too afraid to do so. This is often because of negative experiences we have had in the past. It can seem that some people are faced with challenge after challenge in their lives while others seem to float along without a care in the world. When you are one of those who struggle daily with overwhelming problems, it can be hard to see the potential your life has for good. Gaby Abdelgadir had every excuse to fail. She came from a war-torn part of the world and had experienced more adversity by the time she was a teen than most people experience their whole lives. Still, she was undeterred and set out to make a new life in a country half-way around the world. She is a striking example of what's possible when you make an irrevocable decision to step out of your comfort zone and go for your dreams. Through the heartache and struggles, Gaby clung to the knowledge that she had a glorious purpose that as yet had been defined. Gaby's life is proof that you can rise above anything life throws in your path and be a stronger, better person for having weathered the hard times. She offers hope and sage words of advice for those in the trenches of despair right now so they will know that while life isn't perfect, it can be filled with joy and happiness. About the Author Gaby Abdelgadir has a Business Administration Diploma with over 30 years of international experience working with corporate companies as a Legal Assistant, Executive and Senior Administrative Assistant.
