Luciferian Witchcraft is a complete grimoire of Left Hand Path initiation. Many books have been written of the so-called left hand path, very few actually were written by initiates. Beginning with a lengthy exploration of the forms of the Adversary throughout history, a foundation of ideology is given by identification with the Adversary. The reader is then led through dark and twisting corridors with Four Chapters, a complete system of the History of the Adversary and the Witchcraft associated with the Left Hand Path. What is found within Luciferian Witchcraft is a Talismanic text which presents the medieval concepts of the Black Book being a conjuration itself of the Devil, a complete initiatory system detailing High Ceremonial Magick, The lore of the Adversary and ritualistic and forbidden sex magick. Approach with caution, you may open the gates of hell within.
