**The Law of Trusts (University Casebook Series)** George Bogert, Dallin Oaks, H. Hansen, Stanley Neeleman

The increasing use of trusts in estate, tax, business, and charitable planning requires that the law of trusts have an exclusive and prominent place in the law school curriculum. The new edition provides many new principle cases and provides up-to-date fact patterns for teaching the relevant principles. New coverage is included for emerging trends in trust law such as decanting and trust protectors. The materials in several chapters have been reorganized for improved clarity and to better facilitate class discussion. The new edition also provides enhanced references to the Restatement (Third) of Trusts and the Uniform Trust Code.
