Awareness of Mortality (Death, Value and Meaning Series)

Awareness of Mortality (Death, Value and Meaning Series)

All of us who work in the field of death and dying are, beyond our projects and our practices, working on our awareness of our own mortality. This richly stimulating collection of original articles challenges the reader to develop a disciplined and focused awareness of his/her own mortality, and to grapple with the implications.

"Awareness of Mortality" contributes to the basic and passionate intellectual quest for meaning in thanatology. It provokes the reader with a wide range of ideas and thinking styles to deepen the questioning process within his/her own self. "Awareness of Mortality" explores issues in philosophy, ethics, developmental psychology, psychoanalytic psychology, idealistic humanism, sociology, spiritual traditions, and other humanities that thanatology overlaps. "Awareness of Mortality" is an introduction to a broad-based philosophical thanatology.
