With the availability of self-publishing services and the rise of the entrepreneur as a thought leader, writing a book is becoming more appealing to an increasing number of small business owners. The problem? Most small business owners aren't writers, have never written a book before, are time poor and don't know where to start. While many want to write a book, they worry about investing months of their time and thousands of their dollars to write something that isn't any good, or to not even finish. *Book Blueprint* gives a step-by-step framework that any entrepreneur can follow to write a great book quickly, even if they're not a writer.
