Swapped Wives: Cindy and Tiffany, Trading Husbands Anonymous

Dom was human enough to appreciate a strange woman's interest in him. Merely because he was married and took a rather strict view of sex didn't make him oblivious to the charms of other women.

Furthermore, since his whole concept of sex was one of service to the male rather than a mutuality of rights and pleasures, he wasn't averse to the idea of extramarital prowling by husbands. He hadn't yet considered doing it himself, principally because an inviting set of circumstances hadn't arisen.

But now...

When he entered the Carpenters' apartment, it was not with the conscious intention of rutting Tiffany before he left. However, his nature and the circumstances conspired, with Tiffany's help.

The beer was good, and it relaxed him. Tiffany was very friendly. They got acquainted quickly. Two beers became three, and relaxation turned into a mild state of alcoholic abandon.

Suddenly Tiffany dropped onto his lap, laughing.

It was natural as rain that he should kiss her, and it seemed almost innocent. But when she quickly gripped him around the neck and began to flutter her slippery little tongue tip in and out of his mouth, innocence gave way to urgency.

Cindy and Tiffany have a certain grip with their husband; for Cindy's hubby Dom neglects her needs in bed, while Tiffany's partner Lenny prefers sinking holes at the golf club. So when a young magazine salesman calls round at Cindy's to pitch a subscription she gives herself over to his seductive charms in the most physical of ways. And if she can get away with a little extra-marital satisfaction, then why can't Tiffany, for the latter desires the studdly Dominic, and will make herself completely at his disposal to get what she wants.

But what will both couples do when they discover the indiscretions of the other? What could possibly bring them together more to sort out all their woes than a spot of swapping. Uncertain at first, but ultimately willing, each wife loses herself in the most lascivious of abandons as the wanton women fulfill their wildest sexual fantasies with the husband of the other.

Lusciously written in a graphic prose that leaves little the imagination, and featuring all manner of deviant deed and device, from lesbian liaisons to same-room swapping, extra-marital seductions to group-menages, the *Swapped Wives* are about to go through a sexual awakening extravaganza. But who could have guessed it would end the way it does?
