Excerpt from Arctic Experiences: Containing Capt. George E. Tyson's Wonderful Drift on the Ice-Floe, a History of the Polaris Expedition, the Cruise of the Tigress, and Rescue of the Polaris Survivors; To Which Is Added a General Arctic Chronology

All the original data possessed by Captain Tyson (except his journal written on the Polaris, which was left on board at the time of the separation) was placed in the hands of the editor, with every necessary verbal explanation, before the former sailed in the Tigress. During the interval between his rescue and his return to the Arctic regions in search of the Polaris survivors, he recompiled from memory and a few brief notes his lost journal, and we are thus enabled to give it, with but slight verbal variations, from the original diary. Captain Tyson's Early Experience will show that amateur Arctic explorers, physically fitted for the work, may be found in every whaling ship that sails.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
