Cameroon Anthology of Poetry

Cameroon Anthology of Poetry

In this carefully thought-through anthology, Bole Butake brings Cameroonian poets of different generations, gender, regions, backgrounds and interests into conversation not only among themselves but more especially with poets from other parts of Africa and the world. This is a testament on the universality of poetry. It is an invitation for those in tune with poetry to reaffirm its magic and to spread the warmth of its embrace in celebration of a common and boundless humanity.
