#### **Alice Scales:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Crocodiles: On the Hunt (Killer Animals) can make you feel more interested to read.
