Whether you're a Linux newbie looking for goof-proof installation tips or a Red Hat veteran who wants the scoop on the latest security and server tools, this authoritative guide delivers all the information you need to make the most of the latest Red Hat release. From customizing a desktop to troubleshooting a network or setting up a Web server, it's the only reference you'll ever need to become a Red Hat Linux pro.

What makes this book an "Unlimited Edition"? This book continues to be written even after it hits the bookshelves, and as the owner of this book, you get to receive every bit of that new material as soon as it is available.

At the "Unlimited Edition" web site ([unltded.com](http://unltded.com)), you will find:

- Access to every chapter of the book via the Web, so you can get the answers you need even if you left the book at the office
- Brand new content written just for owners of the book! New material gets posted to the site for up to a year after the book publishes, or until a new edition becomes available.
- New chapters are also available in downloadable PDF format, for your offline perusal

In addition to all the in-depth content, the book also includes the full 3-CD version of Red Hat Linux 7.0.
