The concept of teamwork is extremely important to the success of any business. Teamwork has the potential to yield some very incredible results. For most of us, teamwork is a part of everyday life. Whether it is at home, in the community, or at work, we are often expected to be a functional part of a performing team. Teamwork as defined by Webster's New World Dictionary is "a joint action by a group of people, in which each person subordinates his or her individual interests and opinions to the unity and efficiency of the group." Great companies realize that the cultivation of teamwork within their organization is paramount to their survival. The teamwork concept enables individuals to contribute more than they ever thought possible - together. Teamwork: simply stated, it is less me and more we. In this book, you will discover timeless gems (quotes) from some of the world's most influential leaders. Leaders and innovators, who have turned their values into action and, in the process, changed the way the world does business. If you participate in any type of team activities, and/or support anyone in team activities, this book is for you. In order to get the most from this book, we recommend that you read The Winning Team until you master the precious gems within.
