A Life of Haiku: volume 1 Kevin Beswick

A haiku is a poets version of a photographers snapshot. It can capture beautifully that one moment in time in only 3 lines of words totalling 17 syllables. This book contains 50 haiku that I have written over the years and covers a variety of subjects ranging from the weather to the Eurovision Song Contest!! I haven't put them into any particular order but have left them in the same randomness that they were created.
