A Mind of Its Own: A Cultural History of the Penis

David M. Friedman

A Mind of Its Own: A Cultural History of the Penis David M. Friedman

Setting out to "make intellectual and emotional sense of a man's relationship with his defining organ," David Friedman moves from highbrow to lowbrow in this lighthearted but substantive cultural history.

Successively viewed as a life source, a symbol of a sacred covenant with God, an emblem of shame, an instrument of domination, a mere prop for the pharmaceutical companies, and finally, as simply a means of penetration-the penis has always been at the core of Western man's (and woman's) cultural evolution. With such luminaries as Leonardo da Vinci, Sigmund Freud, Walt Whitman, and Norman Mailer marking their territory on the subject, *A Mind of Its Own* is an intelligent and often hilarious account of man's complicated bond with his closest friend.

From reader reviews:

James Brier:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book A Mind of Its Own: A Cultural History of the Penis. All type of book could you see on many options. You can look for the internet resources or other social media.

Bonnie Abramowitz:

What do you in relation to book? It is not important together with you? Or just adding material when you require something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Everybody has many questions above. They must answer that question because just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this particular A Mind of Its Own: A Cultural History of the Penis to read.

Elijah McWhorter:

This A Mind of Its Own: A Cultural History of the Penis is great e-book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This book reveal it info accurately using great organize word or we can state no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with attractive delivering sentences. Having A Mind of Its Own: A Cultural History of the Penis in your hand like obtaining the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Hi Mr. and Mrs. occupied do you still doubt which?

Alfonso Unruh:

Reading a book to get new life style in this calendar year; every people loves to study a book. When you go through a book you can get a lots of benefit. When you read books, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, in addition to soon. The A Mind of Its Own: A Cultural History of the Penis provide you with new experience in looking at a book.
