What we have in outstanding photographer Don Dondero's important first book, Dateline: Reno is a significant history of the rich and famous as they were passing through one of the world's great entertainment cities. From athletes, to government leaders, to the wealthy, to movie people, famous singers, and over-the-hill stars, Dondero has been there as publicity photographer, hired newspaper cameraman, and as the fellow who always seemed to get the best pictures, at the right time. (From the forward by Rollan Melton.)

#### **Janice Garcia:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Dateline Reno: Photography by Don Dondero can make you experience more interested to read.
