A Chinese national treasure and a conservation icon the world over, giant pandas are arguably the most misunderstood animals on the planet. At once threatened by human encroachment and safeguarded by human ingenuity, these diffident creatures experience the best and worst of mankind. As the custodians of our planet, do we have what it takes to step up and save these magnificent animals and others like them from extinction? Taking you to the heart of the battle for their survival, this breathtaking photographic book explores giant panda behavior, addresses conservation issues that our planet faces, and shatters the myths surrounding these fascinating creatures.
