Spirits linger on the pine-covered slopes of the Adirondack Mountains that surround Old Forge. Books fly off the shelves at the Maxson House, and something--or someone--spies on the living from the attic window of the Goodsell Museum. The spirit of Mohawk Peter Waters is said to linger along the shores of First Lake, where an assassin killed him in 1833. The scent of a phantom cigar hints at the presence of the former owner of the Strand Theatre. Authors Dennis Webster and Bernadette Peck and the Ghost Seekers of Central New York take a chilling journey into the paranormal history of what may be the most haunted town in the nation.
