**In Full Glory Reflected: Discovering the War of 1812 in the Chesapeake** Ralph E. Eshelman, Burton K. Kummerow

All but forgotten by Americans, the War of 1812 (1812–1815) was a dramatic watershed for the young, groundbreaking United States Republic. Ill-prepared to fight the powerful English nation, the U.S. struggled through three years of conflict but emerged more unified with new patriotic symbols like the "Star-Spangled Banner." Much of the fighting occurred in the Chesapeake region and this new book, *In Full Glory Reflected*, uncovers its gripping stories of devastating raids, heroic defense, gallant privateers, fugitive slaves, and threatened lands. The historic tales unfold with a lively narrative, well over a hundred vivid illustrations, and clear maps to follow the action. In addition, a travel section provides a rich guide for adventurers who want to step back 200 years and explore the tidewater world where the war was fought. *In Full Glory Reflected* is an enchanting invitation to travel the Star-Spangled Banner National Historic Trail and discover the amazing world of our ancestors.
