**The Coming Storm: Global Stockmarket Crash 2016:2018** Piam Creations

CHINA UNFOLDING, USA UNCERTAIN, EUROPE IN DELUSION, ASIA IN DOLDRUMS. STOCK MARKET CRASH. IMMINENT. Jim Rogers , Haworth of black swan fund, Stan Druckenmiller, Senator Ron : All of them predict The Coming Storm. "The world is an uncertain place, and all monetary policymakers can really be sure of is that what will happen is often different from what we currently expect," Stanley Fischer, the No. 2 at the U.S. Federal Reserve, USA Uncertain... ----- will reach the nadir. The lowest point. As I write this on February 12 2016 the world witnessed just the beginning of the great fall that will culminate in the worst unimaginable economic disaster of this millennium. On February 11 2016 Janet Yellen chaired a meet of the US Fed. During the meet, news channels were abuzz 'China faced its worst year of economic growth in a quarter century. Wall Street closed to the worst ever start to a year.' Gold spiked. This is what has happened. All across the globe printed money has slowly and steadily created a global bubble a huge bubble of easy money that has reached near bursting point. And when it happens this time it will be on a global scale. Where is the safe heaven ? The Coming Crash. WHEN . WHY. HOW. AUGUST 2016 GLOBAL STOCKMARKET CRASH : 2016- 2018. Mar 23 2016: Credit Suisse announced that it plans to fire 6000 of its employees. Year To Date 2800 terminated. Mar 30 2016: A steel major announced exit from Britain. 15,000 jobs on the line... 40,000 more jobs affected. The downward spiral. It has started... Early Warning:Stay Alert. Early Warning:Stay Alert. The speed. Fast and furious. It gives you no second chance. "As soon as the markets realize that the Fed and the ECB are out of ammunition, it's over," Stockman said. "I think we're in an extremely unsafe world — we've never been here before." This, by a former US Government Director of Budget. 'We are getting into a place where we have never been before.' The Armageddon. The breadth of bad economic news spans the globe. From one end to another. With only a few islands of relief. These will also get dragged into the connected quagmire. The stark landscape of history is a pointer to this immutable law. From Goliath who fell to Lehmann bros which vanished. You have to pay for your actions. The legendary George Soros bets against Asian currencies, commodities and S& P 500. If The Indicators Are Bad The Result Cannot Be Good. The Global Economic Crisis Predicted. WHEN\* HOW\* WHY HOW TO MINIMIZE THE DAMAGE. HOW TO STAY AFLOAT. WHAT SHOULD YOU DO. HOW MUCH TIME YOU HAVE TO PREPARE FOR THE ECONOMIC CRISIS ? Ron Paul US Presidential Candidate. Congressman for 12 terms - Savings of middle class USA will be reduced to a fraction overnight. USA faces dollar crisis because it is not backed by gold. USA has a debt which is more than the debt of 100 countries. And increasingly ordinary people have lesser and lesser money to buy the things they need. An economic catastrophe that will affect millions of Americans in 2016-2017. What about Europe. Bad. If not worse. The Coming Storm. The Global Crash. Be prepared. Else it might be too late.
