## **The Lore of Averages: Facts, Figures, and Stories That Make Everyday Life Extraordinary (Arcane)**

Karen Farrington

A new title in the *Arcane* series of trivia books, *Lore of Averages* offers facts and stories that explore both meanings of the word *average*. Statistical averages (the average weight in turkey eaten each Thanksgiving) preface stories that prove to be anything but average (the annual Turkey Drop in Arkansas's Ozark Mountains). The uncommon origins of common phrases like "it's raining cats and dogs" are revealed, and fascinating anecdotes of ordinary people in extraordinary circumstances abound. Over twenty illustrations complete this fascinating little compendium.
