This study leads in a close examination of these two epistles of Paul to the Thessalonian church he planted and loved. Each lesson's five days of questions (along with helpful comments and context) guide in a process of careful study and application of the biblical text. The shape and themes of each epistle emerge, as well as Paul's overriding focus on the second coming of Jesus as a constant lens through which to live and learn and even suffer. Paul's loving encouragement and careful teaching about holy living and working in preparation for Jesus coming can speak powerfully to Christians today.
