*Baseball: Then to WOW!* shows readers how baseball has evolved from the early days of the 1920s to the game it is today. Using MLB action photographs, illustrations, stories, and trivia, the book is a journey through time both for baseball fans and those new to the game. Kids will learn how basic equipment has changed from fingerless gloves to specially tailored leather-bound mitts and how the evolution of game strategy has transformed the sport, players, and equipment. Players throughout history are stacked up against each other in every position so fans can dream up the perfect fantasy team with Babe Ruth playing alongside Hank Aaron and Reggie Jackson. A fun-filled section of the book explores everything fan culture—from the perfect ballpark frank to the importance of baseball cards and video games in popularizing the sport.
