## Everything has a price ... and I'm willing to pay.

I trust no one. I thrive with control and I've learned to be ruthless and coldhearted. A love life? I'm not interested.

But I still have desires.

That's where Dahlia came in; my treasure. She had never been a submissive before and I was eager to train her.

When I saw her on stage at the auction, dressed in gold, I knew I had to have her.

She's mine for an entire month. I own her. But one lie changed everything.

She's going to pay for it. But I'm doing this for her own good. She needs this.

I'm going to make this right. I'm going to heal her.

If it's the last thing I do.

**\*Bought is a full-length standalone romance with an HEA, no cheating, and no cliffhanger.**
