There is a great Lie being circulated today that is influencing the way people think about salvation. This Lie-the kingdom of God can be accessed apart from the Cross of Christ-is a source of serious contention for all Christian Believers. For if the Lie stands, the foundation of their faith would be rendered completely worthless.

When one buys into this Lie, five critical Bible truths will be rejected. First, the Bible is the inerrant, unchanging Word of God. Second, Jesus Christ is God incarnate. Third, Christ's death, burial, and resurrection are essential toward salvation. Fourth, only those who are born again with God's indwelling Holy Spirit can be saved. Fifth, there is eternal conscious punishment for those who do not Admit, Believe, and Confess in the one and only plan of salvation presented in the Bible.

An apologist is one who can take the Truth of Scripture and present it to the lost in such a way it destroys the ability to defend the Lie. The Gospel ABCs was written to show you how to use your Bible to do just that. Five scriptures are all you need to know to lead anyone to salvation. Don't let the deceivers tell you it is more complicated than that.
