2,000 Years of Christ's Power Vol. 1: The Age of the Early Church Fathers (Grace Publications) Nick Needham

Every generation has an uncanny tendency to view themselves as more enlightened than those that have gone before. The Church certainly has made mistakes all through history - and yet, no insights which we possess would be possible without the efforts, and even some of the mistakes, of our ancestors. The first volume of *2,000 Years of Christ's Power* covers the period from the 1st Century AD to the start of the Middle Ages. From the works of Saint Augustine of Hippo to the first apologetic ever penned, this time in history established the foundations of what we take for granted today.
