## **Maryjane-isms** Pat Calabrese

A Maryjane-ism is more than a sentence. It's a different way of seeing things. It's unclear whether it's the speaker's way of describing things or the author's way of seeing them, but one thing is for sure: once you've experienced your first Maryjane-ism, you'll beg for more. This is the story of a man and a woman, joined by marriage, confused by communication, and anointed in laughter. This is more than just a compilation of stories. It's an owner's manual for learning to live with your spouse using laughter as your concrete. "Pat Calabrese explains his wife's communication issues in such a way that will have you rolling on the floor waiting for the next thing out of her mouth." - Anonymous Quote
