## **The Romance of Desire: Emerson's Commitment to Incompletion** Susan L. Field

The relationship between Ralph Waldo Emerson's work and two major contemporary critical movements -- feminism and antifoundationalism -- as a romance marked with desire and incompletion is discussed in *The Romance of Desire*. Field argues that feminism and antifoundationalism, though significantly divergent, share important roots in Emerson's work and shed light on his arguments in *Nature* and "Circles." This book suggests a new and productive role for Emerson in contemporary American life and thought.
