At the Bay Katherine Mansfield

A brilliant modernist classic--now available for the first time in a stand-alone edition

This dreamy, formally audacious story of a summer's day in the life of one family is a small masterpiece by Katherine Mansfield, hailed as "one of the great modernist writers. Virginia Woolf said of Mansfield, hers was "the only writing I have ever been jealous of."

A modernist master of cool precision and extraordinary delicacy, Mansfield wrote about family life with a sharp radicalism, and *At the Bay* is one of her greatest works. Told in thirteen parts, beginning early in the morning and ending at dusk, *At the Bay* captures both the Burnell family's intricate web of relatives and friends, and the dreamy, unassuming natural beauty of Crescent Bay.

Haunting but ever understated, *At the Bay* is as timeless novella, and a testament to Mansfield's remarkable powers.
