E-Commerce : Opportunities & Challenges

Piyush Sukhija

E-Commerce : Opportunities & Challenges Piyush Sukhija

The book provides current authoritative comprehensive coverage and an excellent blending of organizational and global issues for the study of E-Commerce issues. This book covers the requirements of business students for an understanding of trends in E-Commerce and progress towards the globalization of business in general and E-Commerce in particular. Hackers viruses, fraud and denial of service are becoming genuine problems for organizations of all sizes: at a time when companies are expected to have information continuously available for customers, suppliers and partners. This book explains how technical and operational risks in information security are escalating sharply, with potentially serious strategic consequences.
