Be Careful What You Wish For.... In hopes of satisfying her curiosity, Marisol goes to a club and bumps into the woman of her dreams. Meeting Lavette answers every question Marisol had about herself and her sexuality. She hadn't considered herself a lesbian, but she loves what she finds in Lavette. Lavette is a round the way girl that has been around the corner a few times. She loves the submissive demeanor Marisol has, but she still longs for the firmness only a man can offer. Willing to do anything to please Lavette, Marisol agrees to a threesome, and they agree on the very sexy Tyree. Tyree has always wished he could take different qualities from different women and make them into the perfect one. He never thought about two women bringing their different qualities at the same time. What is supposed to be a one night stand turns into an explosive threesome affair. Take a ride with the trio and find out what happens when every man's dream becomes one man's reality. ....You Just Might Get It
