**Handbook Of Clinical Teaching In Nursing And Health Sciences** Marcia Gardner, Patricia Dunphy Suplee

Due to the growing nursing faculty shortage, clinicians are being recruited directly from the practice setting for clinical teaching without formal training in educational strategies. Handbook of Clinical Teaching in Nursing and Health Care serves as a quick-reference for support of clinical teaching for nurses. It allows a clinical instructor to identify a question about clinical teaching and quickly get ideas about how to effectively handle a situation or create the best learning environment within the clinical context.
