A hardcover edition in a slip case. The remarkable illustrations in this edition are wood engravings by the internationally celebrated Greek artist Demetrios Galanis of Athens. Each of the wood engravings required the artist to work on two blocks: one for the fine detail, for printing in black ink, and one for the background, for printing in a terra-cotta color like that of ancient Greek earthenware. The medallions are chiefly portraits of the characters in the tragedy - Oedipus, Jocasta, Creon, and the rest. The larger engravings depict scenes from the drama.
