Rhiannon:

Sitting inside of a 6 x 8 foot jail cell certainly puts things in perspective. Never in my wildest dreams did I think I'd find myself in this situation, especially with my lifestyle. I'm a single mom, a gymnastics coach, and basically an all-around boring girl. I thought I had a real life fairy tale at one point in my life, but it was really just a nightmare. What can you do though? You put on your big girl panties and get your priorities in line. So, that's exactly what I've been doing. Everything was great. I even met a guy. A retired baseball player was definitely not part of this new life, but it was good, like really, really good. Until it wasn't.

Mason:

They call me the Hitman and I have a reputation, I don't stop at 3rd base. Some say I'm crazy, giving up a career playing professional baseball and all the perks to move back home to Indiana. My heart just isn't in it anymore, not since my other half died. Now I'm a single dad just trying to do the right thing. My intentions weren't to get involved with anyone, emotionally at least. But, sometimes you can't fight what's right. I saw a little piece of the happiness I never thought I'd have, but then our paths collided and all hell broke loose.
