Nick Noble hadn't planned on being the prodigal son. But when his father dies and leaves half of Silver Buckle—the Noble family ranch—to Nick's former best friend, he must return home to face his mistakes, and guarantee that the Silver Buckle stays in the Noble family. Award-winning journalist Piper Sullivan believes Nick framed her brother for murder, and she's determined to find justice. But following Nick to the Silver Buckle and posing as a ranch cook proves more challenging than she thinks. So does resisting his charming smile. As Nick seeks to overturn his father's will—and Piper digs for answers—family secrets surface that send Nick's life into a tailspin. But there's someone who's out to take the Silver Buckle from the Noble family, and he'll stop at nothing—even murder—to make it happen.
