EDITORIAL REVIEW:

When Lex Martindale, a New York City writer, goes home to celebrate his birthday and say good-bye to his dying father, he struggles with whether or not to share with his eccentric Southern family news of his own life-threatening situation.

As we travel through seventy years of the Martindales' rich and colorful history, unearthing forbidden loves, shattered hopes and tenacious dreams, we realize that this reunion is a volatile turning point in all of their lives.

But as anger, resentments and jealousies erupt to the surface, it's their laughter and irreverent sense of humor that prevails allowing for a quiet healing in this bittersweet, moving portrait, of the all-American family.
