An American general is captured in the Middle East by terrorists who threaten to behead him within days. One strange fact: moments before he is rendered unconscious during the attack, the general notices that his captors speak American English. What's going on?

Gunnery Sgt. Kyle Swanson, a top Marine sniper, is vacationing on a yacht in the Mediterranean when he receives orders to mount a top secret mission to rescue the general. But as the Marines prepare to land in the Syrian desert, they fall victim to a terrible accident. Swanson, the only survivor, then discovers they were also flying into an ambush. How did the enemy have details of a mission known only to a few top American government officials?

Swanson takes off across the desert alone to find the captured general and realizes he is fighting a particularly ruthless and dangerous enemy: American mercenaries working for a very-high-level group of U.S. officials with ties to the White House itself, part of a clandestine conspiracy whose hidden goal is nothing less than total control of the American military. Their sworn enemy is the captured general whose fate now rests in Swanson's hands.

Filled with the kind of action that author Jack Coughlin lived during his career as a Marine sniper, *Kill Zone* marks the debut of an extraordinary new series.
