This book makes available the wealth of data contained in *Cash Box's* black contemporary album (78 rpm sets and 33 1/3 rpm stereo and monaural lp records) charts over a 22-year period. The information, previously available only through a search of the weekly charts themselves, has been completely integrated and accessed via artist and song title entries. The compilation contains many features not currently available in any other reference tool of its type, most notable the week-by-week listing of song chart positions.
