Pocket Essentials is a dynamic series of books that are concise, lively, and easy to read. Packed with facts as well as expert opinions, each book has all the key information you need to know about such popular topics as film, television, cult fiction, history, and more. With the technology available today, it's easier than ever to make a short film without the benefits of funding, but digital cameras and editing systems are only part of the story. The most important thing is you, the film-maker. This Pocket Essential gives you all the information you need to put together a short film production—from first idea, script, planning, and casting to locations, shooting, editing, and distribution.
